Please note, there is no open meeting in December.

Tony Tutton will give his popular presentation, The Words and Music of Bob Dylan.
Born in Walthamstow in 1947, Tony has a long history in music, making his stage debut in 1953. Over many years, he has performed as a drummer, guitarist and as a singer.
The doors will open at 1.45pm, with refreshments from 2.00pm. The talk will begin at 2.30pm. Entrance is free, as are the refreshments and the raffle.

His presentation combines visual and audio material to explore the lyrics, music and stories behind Bob Dylan's songs. It will also feature performances by artists who have covered Dylan's work, including Joan Baez.

There will be opportunities for audience participation and sing-alongs, making this an enjoyable and interactive musical experience.

Saffron Harmony Choir – our u3a choir will be singing at the EACH Carol Service on Tuesday 15th December, 7pm, at the Baptist Church. Do go along to support both the choir and the wonderful work of EACH, it is always a joyous Christmas concert.
